Graham Candler
Aerospace Engineering and Mechanics

Bender, Jason D., Sriram Doraiswamy, Donald G. Truhlar, and Graham V. Candler. 2014. Potential energy surface fitting by a statistically localized, permutationally invariant, local interpolating least squares method for the many-body potential: Method and application to N4. *Journal of Chemical Physics* 140 (5) (JAN 01).

Candler, Graham V. 2013. Rate-dependent energetic processes in hypersonic flows. *43rd Fluid Dynamics Conference*.
